

**Carmen Jungbäck, DVM (Germany)**

Head of the section Veterinary Virology 1,  
Paul-Ehrlich-Institut, Langen, Germany

Board Member  
Chair, Veterinary Biologicals Committee  
Vice-Chair, IABS-EU

Dr Carmen Jungbäck graduated from the Tierärztliche Hochschule, Hannover with a degree in Veterinary Medicine. In 1981, after a few years as an animal surgeon she joined the Paul-Ehrlich-Institut, (Federal Agency for Sera and Vaccines), Langen, Germany, where she is Head of the section Veterinary Virology 1. The section's area of activities comprises vaccine licensing and testing, with special expertise in viral vaccines for poultry. In this context, the practical testing of vaccines during licensing and for official batch release is one of the major responsibilities.

She is also member of a number of advisory boards and working groups at EMA and EDQM dealing with IVMPs under various aspects.
